Top Skills

TypeScript

React.js

Next.js

Hajrije Berisha

FrontEnd Developer

Kosovo

Summary

Detail-oriented Front End Developer with a focus on building robust, scalable applications using Next.js, React.js, and TypeScript. Passionate about writing clean, maintainable code and implementing efficient, logical solutions to complex problems. Committed to continuous learning and contributing to high-performance development teams.

Experience

Gjirafa, Inc.

Frontend Developer

October 2024 - Present (1 year 6 months)

Develop and maintain frontend features for a production web platform, contribute to internal dashboards and admin panels, and continuously improve existing functionality while ensuring scalable and maintainable code.

LIFE from Gjirafa

Fellow

November 2023 - September 2024 (11 months)

Pristina, District of Pristina, Kosovo

Successfully completed the Life from Gjirafa training program, where I gained insights into the technology industry and strengthened my technical and problem-solving skills. The program also enhanced my collaboration, communication, and teamwork abilities while working in a professional tech-oriented environment.

Education

UBT - University for Business and Technology

Computer science and engineering · (October 2021 - June 2024)
